Dedication

We, the Senior Class of '64, are proud to dedicate our 1964 Courier to Mr. Charles W. Montgomery III. As advisor to our class, he has given us abundant help and guidance.

Mr. Montgomery was born in Harrisburg, Pennsylvania, on May 12, 1940. After receiving his diploma from Fremont High School in 1958, he attended Bowling Green State University, majoring in comprehensive social studies and minoring in basic business. After graduating from Bowling Green in 1962, he accepted his present position at Clyde.

He has worked hard to promote F.T.A. in our school. He is also responsible for the Youth Government Day, which has been a great success.

On March 14, 1959, he married Delight Sorg. He is now the father of two children; Robin, three, and Deborah, two years old. He spends his leisure time in sports. He plays tennis and attends events. Also, he is a Dad Advisor of DeMolay.

The Class of 1964 feels privileged to have had Mr. Montgomery as its advisor. To show our deep appreciation for the help he has given us, we, the Class of 1964, dedicate this Courier to him.

The yearbook staff has worked hard this year trying to make 1964's yearbook, one that will long be remembered. The annual magazine drive was held in October to help raise money to offset the cost of the book. The staff sponsored a potluck dinner for Mr. Durham's room, which went over its quota. In November the staff took orders for yearbooks. Five hundred sixty-five books were sold this year. The staff usually met on Thursday nights to put the book together.

We would like to thank our new sponsor, Mrs. Janet Bishop, for all the help she has given on this "yearbook of '64." We hope that all the students will enjoy the many memories this book will bring.

Girls' Athletic Association

The Girls' Athletic Association is one of the largest and most active clubs in the entire school. The main function of this club is to develop skill and sportsmanship among girls in all phases of sports. The G.A.A. volleyball and basketball teams have participated with numerous schools in several different playdays. After each business meeting all girls are expected to participate in the play periods that follow the meetings. Senior girls are required to participate in at least three of these play periods in order to earn a pin.

However, the club is not entirely athletic. The club has sponsored several civic and social functions. This year the girls helped with

the annual heart drive. This year the club sponsored a successful informal dance instead of the traditional Christmas formal. In the spring, the club put on a style show much to the enjoyment of the entire public. The fashions were furnished by Cindy's sportswear shop. Girls from the club, however, were chosen to model. The club has also sponsored several other activities in which all girls were encouraged to take part.

A Cappella Choir

We feel that the 1963-64 A Cappella Choir is a very exceptional one. The choir is made up of a select group of people who must pass both a written and singing test before being admitted. This is the fifth year for the group.

They have performed many concerts and have been on radio. This year they also went on an all-day trip to Millersburg. In the spring, as usual,

they entered the O.M.E.A. contest.

They started the year by having officers: Junior Howell, President; John Becker, Vice-President; Penni Friedley, Secretary; John Dewey, Treasurer. Mr. Chidley is, in our opinion, a very fine music director. We know the choir will continue its excellent work.

The 1963-64 Clyde

The 1963-64 Clyde High School Band numbers 84 members. This year, as in the past, the marching band performed precision drill and dance routine shows at all home and away football games. Lamar Parker, drum major for the past two years, has done an exceptionally fine job. This year he dazzled the crowds with a spectacular fire-twirl. As he is a senior, he

will be missed in the coming years.

The concert band presented four very fine summer concerts and several other concerts throughout the year. The first was the "Holidays Concert" on December 10. Other concerts were: "The Spring Concert" on March 10 and "The Band Jamboree" in May.

Among other things the band traveled to Baldwin Wallace College to attend the High

School Band Day. The band marched in the following parades: Fireman's Convention, Homecoming "1963," Halloween, and Memorial Day.

Band officers for this year are: John Murphy, President; Lamar Parker, Vice President; Sharon Diriam, Secretary; Roger Heckel, Treasurer and Student Conductor.

The Golf team is a newly formed activity, and we are very happy for the opportunity to have a golf team at Clyde High School.

The Golf team is coached by Coach Kollman. The team had a very successful rec-

ord of nine wins, one tie, and no losses. They were also the runner-up in the District to Findlay. We are very proud of the team, and hope they will continue to maintain the fine record.

1963 X Country

Meeting major opposition in almost every instance, the 1963 squad completed their season with nine victories and two losses and placed twelfth in the District meet at Sandusky.

There were only five seniors of a twenty member squad. The underclassmen dominate the squad. The prospects for a successful 1964 season are very good.
